ENDORSEMENTS

Amongst the best that I have read ... this book was a pure delight to read from start to finish. What touched me was the way in which the finale of this book provides a doorway for a young child to invite Jesus into their own life through the provision of special prayers. A lovely – and potentially life changing – gift.

Presbyterian Herald

... attractively produced, with full page, colour illustrations... Sinclair Ferguson shows how Jesus coming into the world was part of 'the plan that began before time began.'
