DESCRIPTION

Paul's epistle to the Romans has been influential at critical moments in church history, but it is not only those who have become leaders in the church who have been affected by the book of Romans; ordinary Christians have lived transformed lives as a result – up to the present day. One reason is because in Romans, Paul clearly sets out a theological framework for us to understand the Christian faith. It is a comprehensive description of the way that God offers salvation to humankind – and it is 'Good News'.

ENDORSEMENTS

It was no accident that the Reformers, Luther and Calvin, each wrote the first two of their many Bible commentaries on Romans and the Psalms. The Church today evidences its great need of massive doses of the truths of Romans. R. C. Sproul and Christian Focus have done us a great favour in making the content of Romans more available to a wider audience. You will find this book a great tonic for your soul.
