The Reality of Encountering Jesus

Peter Dickson and David Gibson

RELEASE DATE 20 SEPTEMBER 2010

RELATED TITLES

AUTHOR

Peter Dickson was the Regional Team Leader in Scotland for UCCF: The Christian Unions. Prior to thishe was the minister at Trinity Church, Aberdeen. He grew up in Edinburgh and St. Andrews and became a Christian through the witness of Scripture Union camps. He is married to Eleanor, who comes from Inverness, and they have two children, Esther and Jamie.

David Gibson was born in America and grew up in East Africa and Northern Ireland. He has a Ph.D in Theology from the University of Aberdeen and is currently the Minister at Trinity Church, Aberdeen. Married to Angela, his interests include writing, playing football, watching rugby, entertaining and being entertained by his children, Archie, Ella and Samuel.

ENDORSEMENTS

"Not a safe book. Peter Dickson is a bit sneaky (the book is so engagingly written) and yet terribly stubborn (he refuses to offer you a bland, smooth, mass-market, shrink-wrapped Jesus). So reading it may make you savingly angry or fearfully grateful- either of which will be okay. I find so refreshing this combination of contemporary clarity and old, rugged gospel."

Dale Ralph Davis
Respected Author and Old Testament Scholar

Peter Dickson has succeeded in transporting his readers from Aberdeen to the shores of Galilee in this vivid account of Dr Luke's impeccably researched biography of Jesus. But I must confess that this journey comes with a health warning – as we look at Jesus we'll discover much more about ourselves.

Rico Tice
Evangelist; Co–founder of Christianity Explored Ministries

I have just downloaded and read the Study Guide and Leader's Guide, and I am also excited about this book. Thank you for staying faithful to the gospel and making it easy to understand for many people.

Daniel Bae, South Korea

I am very excited about this book! I will certainly be ordering a copy as soon as possible! More of the same please, Mr. Dickson!!

Dr. Jonathan P. Norgate, Sheffield
