"Sin is serious. But you can forsake it. Let David Hegg show you why obeying God is better by far than indulging the flesh."

"The greatest gift David has given us in *The Obedience Option* is to proclaim the truth that the only way to overcome a passion for sin is with an overwhelming passion for righteousness and help us develop that passion. David's writings are especially credible to me, because I know David and his passion for righteousness does drive his personal life."
