DESCRIPTION

AUTHOR

Wallace Benn is the retired Bishop of Lewes in the Church of England. Previously he was the pastor of a large Anglican Church and is in demand as a conference speaker at events such as New Word Alive and New Horizons.

ENDORSEMENTS

This volume by Wallace Benn takes us into the inner sanctum of the Fourth Gospel giving us an intimate portrait of Jesus the Servant-king. Meekness and majesty together inseparably. A beautifully presented portrait of the Savior'

Timothy George
Founding Dean of Beeson Divinity School, Samford University, Birmingham, Alabama

Benn's book deals with the five chapters in John's Gospel, chs. 13-17, recording the last words and deeds of Jesus. They are all in short sections written in a manner in which the young Christian can easily follow. They could be read on a daily basis with good profit. A short study guide broadens their scope for the Bible study group. The book is non-controversial, warmly written and 'chatty' in the best sense. The author has gone to the heart of these chapters and gives the reader a feel for some of the great heights and depths found in this part of John . . . well worth reading and praying through.

English Churchman

...a book which the ordinary Christian should find heart-warming and helpful, yet it is one to which the preacher could well turn in search of ideas for application based on sound exegesis. It could well be a congregation's 'book of the month' and it certainly deserves a wide circulation.

Evangelicals Now

...at once heart-warming yet biblically rigorous. It provides an excellent model of good exegesis coupled with a warm pastoral heart. I hope we will be seeing many more books from the pen of this author.
