ENDORSEMENTS

Hi! It's Naomi here.
I really love the cover. It's pretty and quite cool too and yellow is my favourite colour. I would want to read it if I saw it in the library.
I really like the a, b, c thing in the chapters and the bit about the real Bible princess being the girl without the crown.
Bye! Naomi xx

Young Reader

This book is a wonderful book for anyone wanting to provide a young girl with wholesome reading while reinforcing biblical values. I listen as my 7 year old reads a chapter then we look in her bible and read the story. The book explains in easy language what the "bible princess" did or experienced and then references the scripture so u can find the story in the bible. My daughter enjoys hearing about " real princesses" and I like that it is getting her interested in the bible.
