ENDORSEMENTS

"*Confessing Jesus as Lord* is one of the most timely books to appear in a long time. We are surrounded by false Gospels, confused Gospels, and half Gospels. In this important book, Terry Chrisope lays out the authentic Gospel of the Lord Jesus Christ and clearly identifies what it means to confess Jesus as Lord. The most fundamental affirmation of the church is the lordship of Christ. This new book is both important and powerful."

"*Confessing Jesus as Lord* is an invaluable addition to the debates and discussions that are already beginning to take place. I'm thankful for the way Dr. Chrisope handles the issue. This book is not an arcane and academic discussion of theological technicalities; nor is it a caustic polemical diatribe. It is just straightforward biblical wisdom applied with clarity and simplicity to an issue every Christian needs to understand. I trust you will find it as helpful and as persuasive as I did."
