ENDORSEMENTS

... buy this book: if you are looking for a present for a godchild: if you don't do family devotionals- it's good to start somewhere: if you have a lot of arguements and irritations in your family and would love God to show you how to love each other more!

Evangelicals Now

"Laura Martin's book, Love Is... A Book for Girls About Love, is a delightfully engaging devotional for young girls. Our daughter is now grown, but I remember searching for a book just like this one-and not finding it. How I wish this book had been available then! Laura Martin's love for children comes through on every page. It's like inviting her into your living room and having her lovingly teach your daughter a Bible study lesson."
