ENDORSEMENTS

"The book is a most balanced and biblical treatment of the subject of Christian Growth - It is quite simply the best book of its kind I know"

Eric Alexander
Conference speaker and formerly minister St George's Tron, Glasgow for 20 years

" . . . thoughtful and thorough Bible Study on the whole subject of holiness . . . The book maintains a healthy balance on the work of the Holy Spirit and our own responsibility, on faith and effort. The handling of Scripture is excellent, supplemented by a good range of quotations from other writers."

Ron Preece, Evangelism Today
