ENDORSEMENTS

"This book will trouble some, challenge others, and influence all who are prepared to take the risk of fellowshipping with "other saints".

Richard Dodge, Direction

"With warmth and sanity, Mark Johnston steers us on an eminently Biblical path through the principles and practicalities of pursuing the desire of Jesus Christ for his people to be one. This book should prove a rebuke to the hard-hearted, a corrective to the soft-headed, and a stimulus to all evangelicals of good will towards God-honouring unity"

John Benton
Director of Pastoral Support, The Pastors' Academy, London Seminary, London, UK

"No Christian can read this book without being convinced that something must be done to create harmony in the local church and unity between evangelical congregations."

Brian Edwards, former Chairman of the Fellowship of Independent Evangelical Churches
