Understanding Theology I-III- Who should have these books? Buy them for lay preachers and Sunday School teachers known to you. They will be immensely helped by them. If you are a minister or somebody else with theological training, you may think them too simple for your own bookshelves, but are you really sure of that? I have had the privilege of teaching theology for 52 years but I am very glad to have these now as additions to my own library. I may keep a book-shaped gap next to them, in case there is a forth volume!
