ENDORSEMENTS

Understanding Theology I-III- Who should have these books? Buy them for lay preachers and Sunday School teachers known to you. They will be immensely helped by them. If you are a minister or somebody else with theological training, you may think them too simple for your own bookshelves, but are you really sure of that? I have had the privilege of teaching theology for 52 years but I am very glad to have these now as additions to my own library. I may keep a book-shaped gap next to them, in case there is a forth volume!

Scottish Bulletin of Evangelical Theology

I bought one of the volumes - Volume I some days in store stand in the School premises. Having gone through I found the book to be very outstanding and highly informative. R.T. Kendall have a thorough insight into the subject which he keenly desire to diseminate to all those ready to learn more about God and power of His Christ Jesus. A good material indeed. I hope to advice friends to look for the books.

I am a student in Bethel University College of Biblical Studies Africa Study Centre Benin City, Nigeria.
