AUTHOR

ENDORSEMENTS

This book will open the eyes of the reader to something of the history of the Covenanters in Scotland as seen through writings of those who were there. This should be must reading for all Americans, who benefit from a freedom of religious heritage much of which was developed by the Scots-Irish settlers as a result of the persecutions they suffered

Morton H. Smith

... of great historical and theological importance. We are confronted with the importance of commitment to God and the meaning and benefits of the Christian's covenantal relationship established by God.

PCA News

We need to regain something of the biblical radicalism that characterised the covenantors. This is a book well worth reading and taking to heart.

Evangelical Times

'*Our Covenant Heritage* is a profound work, remarkable for its primary source material research. It contains many intriguing and revealing lessons for Christians of all denominations.'

D. James Kennedy
(1930-2007) Late Pastor of Coral Ridge Presbyterian Church, Fort Lauderdale, Florida
