ENDORSEMENTS

"Dr Reymond clearly demonstrates in this monograph that there are serious doctrinal differences between the Roman catholic teaching and Biblical Christianity... I am confident the reader will find this work clear, fair and accurate. I highly commend its close reading"

R. C. Sproul
(1939 – 2017) Founder & Chairman of Ligonier Ministries, Orlando, Florida

"the serious purpose of the work - that the true gospel and the salvation of souls are at stake - make this recommended reading for contemporary evangelicals."

Banner of Truth

"This is an important book dealing with the great doctrine of Justification by Faith alone. Roman Catholicism brings works into it by some form or other, therefore denying the clear words of Holy Scripture."

British Church Newspaper

"Dr Reymond calls us straight to justification by faith as the central issue of the conflict; so immediately we know where we stand and why. The argument is clear, whether he is demonstrating the flawed basis of authority in Rome or expressing disappointment at J I Packer's signing of Evangelical and Catholics Together."
