ENDORSEMENTS

I really like Sharon's book. I like that it comprehensively teaches and applies one important verse. I like that it encourages Scripture memorisation. I like that it feels real and relevant, rather than the kind of thing written by someone who lives in a bubble. Most of all, I liked it because it helped me grow as a Christian and be more like the Saviour that both Sharon and I love.

This book packs a ton of wisdom, help, and humor into a small space. Sharon does a great job showing that when we understand God's love, it transforms us so that we look more like Jesus. As I read, I found myself challenged and helped to be more loving, joyful, patient, and gentle. I plan to use this book with a new Christian this week!
