T. J. Betts

There is no subject more worthy of our attention or more stretching to our finite minds than the infinite, eternal and unchangeable being and character of God. For anyone who wants to know God better, this is a book that will deepen their understanding and move their hearts to love and worship.

Warren Peel
Minister of Trinity Reformed Presbyterian Church & Professor of New Testament Language and Literature, Reformed Theological College, Belfast

Ah! The vision of God: the height of human endeavour! Seeing Him more clearly, loving Him more dearly, and following Him more nearly. Such are the goals of a God–centred life, and are the major theme of Brian Russell's theological and devotional focus. Allow your mind to be stretched and your heart warmed!

Simon Vibert
