DESCRIPTION

Inspiring quotes and inspirational stories will always be popular, but they rarely change lives. After reading the quote, hearing the story, and experiencing some feelings, we often go about our business as usual. What we need is a spiritual resource that helps us focus on heart issues, life change, and the rhythm of the Christian life.

This year–long devotional takes 365 questions asked in the New Testament, and shows you how to change your focus, reorder your affections, and reprioritize your loves. It will compel you to love God and others more selflessly, and wean your heart off the lies and lures of this world.
