At 25 years of age Maud Kells went to the Congo as a medical missionary with WEC International. She went to replace others who had been recently martyred. Years later she herself found herself close to death. This is the story of a young Irish girl who went to Africa despite her family's objections due to the call on her life of a God who assured her, 'I am with you I am all you need'. Maud found that out to be absolutely true in all circumstances.
