ENDORSEMENTS

We are told today that fathers are dispensable, and sixty years of 'sexual freedom' have resulted in historically unprecedented levels of fatherlessness in many nations of the world. We see the fallout all around us. This book is an inspiring reminder that fatherhood is a high calling. Kent Evans charts out – in an engaging and practical way – how men can draw on God's unfailing resources of wisdom and grace to fulfil their calling to be godly leaders in the family.
