Help preachers teach 1 Samuel

Kingship of David

AUTHOR

Andrew has been the National Director of the AFES, board member of TGC Australia and has pastored churches in three States of Australia. He is currently the founding Principal of Evangelical Theological College of Asia, which is based in Singapore and seeks to produce a new generation of able biblical expositors and pastor–teachers for churches throughout Asia.

ENDORSEMENTS

I have benefitted significantly from Andrew Reid's teaching and thinking on the books on Samuel for many years – what a rich provision for preachers and bible study leaders to have this comprehensive teaching guide! The format of this series suits Andrew's approach down to the ground – he summarises the scholarship on the books with a beautifully delicate touch, moves smoothly into the vital task of breaking up the book, and backs that up with a wealth of exegetical insight, embedded seamlessly in insights for teaching. This will be an invaluable (and should be a compulsory!) companion for anyone teaching 1st Samuel…. and bring on 2nd Samuel!

Gary Millar
Principal of Queensland Theological College, Brisbane

This is an excellent book in a great series. It will foster preaching that is firmly grounded in the text, richly theological and viewing the book as an important part of Christian scripture. It is biblical theology at its best. Andrew does not try to read Christ into the book of 1 Samuel, but rather discerns the message of book and then shows how our understanding of this must be shaped by the coming of Christ. There are great insights here about why we should teach from these rich narratives. He builds on his earlier commentary and a lifetime of powerful preaching to provide a major resource for the church as it gathers around the word. It contains great practical help and advice aimed at both preachers and bible study leaders. This book is pure gold, making it a 'must have' if you want to teach others how to teach God's truth from narrative.

Lindsay Wilson
Senior Lecturer in Old Testament, Ridley College, Melbourne

… blends the fruit of serious academic study and countless gems of wisdom for expounding this important book. While not spoon–feeding his readers, Andrew provides much theological and practical assistance for the expositor and Bible study leader. *Teaching 1 Samuel* will make you want to do it. Indeed, anyone who reads Andrew's book can have little excuse for making a mess of an exposition of 1 Samuel.

Mike Raiter
Director of the Centre for Biblical Preaching & author of several books
