ENDORSEMENTS

This book would make a phenomenal gift for kids ages 5 and up! Honestly, I can use this book as an adult!

Think of this book a bit like the introduction pages that come at the beginning of every book in a study Bible.

This resource provides historical context, themes, summaries and key points for every book of the Bible. It also shows a "salvation thread" for every book which shows how the book fits into the larger narrative of Scripture. It's incredible!

It is an amazing resource for teaching biblical literacy and provides an awesome opportunity for kids to start the practice of hermeneutics.

I received a review copy of this book. All opinions are my own.

… a most lively, memorable, and engaging expedition through every book of Holy Scripture. Families and small groups, parishes as well as individuals should use it to great effect. There is nothing quite like it.

It is so exciting to see God's beautiful tale of redemption through stories of the Bible unfolded in a format such as 66BoS. The questions, references, thread, and overview all point to knowing God as our rescuer and hero. I look forward with anticipation to using this devotion with my children, young adult Bible studies, and as a gift to others seeking to know the truth. 66 Books One Story is a wonderful tool to see the consistency of who God was, is, and always will be.

Joani Burchett, mother of five boys aged 5–15

I'm thankful for such a well–written resource that will provide an excellent supplement both for teaching and family devotions.
