DESCRIPTION

Meet the Ordinary Men Who Changed the World!

Ever wondered what it was like to walk alongside Jesus? Dive into this exciting exploration of the twelve disciples – regular guys who became part of the greatest story ever told! With fun black–and–white illustrations throughout, you'll discover how fishermen, tax collectors, and even a former terrorist became Jesus' closest friends and changed history forever.

Follow Peter as he walks on water (and sometimes sinks!), watch Matthew throw a huge party after leaving his tax booth behind, and see how Thomas went from doubting to believing. You'll learn how John went from being called a "Son of Thunder" to becoming known as the apostle of love, and find out why Jesus chose Judas even though He knew what would happen.

Perfect for young readers who love history, adventure, and discovering how God can use anyone for His amazing plans. Get ready to meet twelve remarkable men who prove that with Jesus, ordinary becomes extraordinary!
