DESCRIPTION

Boldly Bi–Vocational offers a fresh perspective on ministry, challenging traditional notions of full–time pastoral work. Drawing from personal experience and biblical wisdom, Powell presents bi–vocational ministry as a strategic and fulfilling calling rather than a mere stopgap measure. This book explores the biblical foundations of bi–vocational ministry, tracing its roots to the apostle Paul's tent–making example. Powell argues that this model can enhance a minister's effectiveness, providing unique insights and opportunities for kingdom impact both within and outside the church.
