DESCRIPTION

Not Just a Power, But a Person: The Holy Spirit in the Christian Life

In this engaging exploration of the Third Person of the Trinity, Keri Folmar invites women to discover the Holy Spirit's active presence in their daily lives. Moving beyond common misconceptions and dramatic manifestations, she reveals how the Spirit works powerfully through ordinary means – Scripture, prayer, and the local church.

Written with clarity and theological depth, this book helps readers understand:

- **How the Spirit inspired Scripture and illuminates it today**
- **How the Spirit applies Christ's redemption to believers**
- **Why every Christian has the Spirit and His gifts**
- **What it means to bear spiritual fruit in community**

The Good Portion is a series written specifically for women to immerse themselves in the depths of Christian doctrine. Our goal is to spur women on to relish the truths of the Christian faith as they do what they were created for—enjoy knowing God.
