DESCRIPTION

Chosen and Welcomed

Many students wonder where they belong, who they really are, and whether they are truly loved. The Bible answers those questions with a stunning truth: through Jesus Christ, God adopts sinners into His own family.

With clarity and warmth, Matthew D. Adams introduces readers to one of the most beautiful doctrines of the Christian faith.

- **Understand the biblical doctrine of adoption and how it flows from the gospel**
- **Discover your new identity as sons and daughters of God in Christ**
- **See how adoption shapes prayer, obedience, and daily life**
- **Grow in love for your new family—the church**

Clear, rich, and deeply encouraging, this guide invites students to rejoice in the privilege of calling God their Father.

AUTHOR

Matthew D. Adams is the Senior Pastor of First Presbyterian Church in Dillon, South Carolina and is ordained in the Presbyterian Church in America (PCA). He and his wife, Beth, are the proud parents of three covenant children.
