ENDORSEMENTS

Douglas MacMillan had a powerful ministry in Scotland. Indeed, my own wife is one of many who can point to him as the preacher under whose proclamation of the gospel she was herself converted. Professor MacMillan's own story is itself a dramatic account of the power of Christ to save. It is a delight to commend this little booklet, recounting his own experience of God's grace, to a new generation.

Few men of God have so graced the Church of Christ in Scotland as Douglas Macmillan. One of the privileges of my life was to have his friendship. The more I knew him the more I loved, respected and admired him. In this superb book "He being dead, yet speaks". May God use it to bring salvation to many, and much glory to His own name.
