ENDORSEMENTS

This primer on preaching, *Preaching? Simple Teaching on Simply Preaching*, is one of the best there is, displaying the work of a master who knows his subject so well he can make it look 'simpler' than it is, and therefore less daunting.

D. A. Carson
Emeritus Professor of New Testament, Trinity Evangelical Divinity School, Deerfield, Illinois

Given the content, readability and insights... this book is a "must" for preachers and for those who want to understand preaching and encourage preachers.

Harry L. Reeder III
(1948 – 2023) Senior Pastor, Briarwood Presbyterian Church, Birmingham, Alabama

This refreshing guide, laced with excellent Biblical examples and astute observations from personal experience, will be a great read for preachers old and new, and I warmly commend it.

Jonathan Lamb
Minister-at-large for Keswick Ministries, IFES Vice President, and former Director, Langham Preaching

Alec Motyer has had a profound, formative influence on my preaching. In this book he puts his decades of wisdom on expository preaching at the reader's fingertips. This is as practical and Biblically solid a book on preaching as you can find today.

Tim Keller
(1950 – 2023) Redeemer City to City
