### AUTHOR

Dr Alec Motyer (1924-2016) was a well-known Bible expositor and from an early age had a love for studying God's Word. He was principal of Trinity College, Bristol and wrote many widely appreciated commentaries and other books.

### ENDORSEMENTS

This primer on preaching, *Preaching? Simple Teaching on Simply Preaching*, is one of the best there is, displaying the work of a master who knows his subject so well he can make it look 'simpler' than it is, and therefore less daunting.

#### D. A. Carson

*Emeritus Professor of New Testament, Trinity Evangelical Divinity School, Deerfield, Illinois*

Given the content, readability and insights... this book is a "must" for preachers and for those who want to understand preaching and encourage preachers.

#### Harry L. Reeder III

*(1948 – 2023) Senior Pastor, Briarwood Presbyterian Church, Birmingham, Alabama*

This refreshing guide, laced with excellent Biblical examples and astute observations from personal experience, will be a great read for preachers old and new, and I warmly commend it.

#### Jonathan Lamb

*Minister-at-large for Keswick Ministries, IFES Vice President, and former Director, Langham Preaching*

Alec Motyer has had a profound, formative influence on my preaching. In this book he puts his decades of wisdom on expository preaching at the reader's fingertips. This is as practical and Biblically solid a book on preaching as you can find today.

#### Tim Keller

*(1950 – 2023) Redeemer City to City*
