ENDORSEMENTS

... a deep and detailed read, designed for teens with deep and searching questions. It's packed full of useful background information that will equip you with information you didn't know you needed!

Free- Youth Magazine Free Church of Scotland

Teens struggle with doubts, anxiety, and peer pressure regularly. *You Asked* provides a thought-provoking launching point from which teens can wrestle with these unique dilemmas. Each chapter provides insight and guidance into specific questions and concerns, which can be explored discretely or as part of the larger narrative. Combined with followup discussion, this book can go a long way to helping mitigate the philosophical and ethical minefield known as adolescence.

Michael Keller
Reformed University Fellowship Campus Minister, New York City, New York

Dr. Edgar offers a brilliant, thorough, and, yet, accessible apologetic for teens regarding the Christian faith. So many students know bits and pieces of Christianity; *You Asked* provides a cohesive systematic theology in a personal manner that a teen can understand. *You Asked* has great value for non-believing, new-believing, and long-believing teens. Every Christian teen should read *You Asked* before they attend college to equip them for the challenges to their worldview. Every non-Christian teen should read *You Asked* in order to hear a fair and accurate presentation of Christianity and The Gospel.

Cameron Cole
Director of Youth Ministries, Cathedral Church of the Advent, Birmingham, Alabama, Chairman, Rooted: A Theology Conference for Student Ministry

Apologetics for Dummies? Absolutely not: apologetics for thoughtful, inquiring young teens! I wish I had known someone like Bill Edgar when I was 13 or 14. I wouldn't have had to start with other people's questions, including the Church's -- but with my own. The modern pastor will find endless hints here on great ways to connect with youth of all ages. Bill talks to young people without a hint of talking down to them.
