ENDORSEMENTS

Beynon's own style is uniformly smooth and clear... a worthy and helpful introduction to an important 18th-century character and man of God.

The Monthly Record
Magazine of the Free Church of Scotland

I can think of few men who have impacted my life and thought more than Isaac Watts. He is a model pastor, thinker and poet. In this engaging and thorough book, Graham Beynon presents a full and fascinating picture of Watts' legacy, from his hymns to his pastoral work to his logic. In an age of celebrity pastors, heavy on flash and low on substance, Watts presents an alternate vision: a rigorous mind at work for the glory of God and the good of the church.

Mike Cosper
Pastor of Worship and Arts, Sojourn Community Church, Louisville, Kentucky

In this thoroughly enjoyable and stimulating book, Graham Beynon does an excellent job of showing just how relevant Watts and his thought are for today. We get to see how his beautiful hymnody flowed out of deep theological and pastoral convictions, and the result is both challenging and stirring.

Michael Reeves
President and Professor of Theology, Union School of Theology, Bridgend, Wales

All of us have benefited from the ministry of the hymn writer, Isaac Watts His courage to promote a Biblical theology of hymnody united with his competency to produce hymns of musical excellence while singable for congregations, marked by excellence in style and Biblical faithfulness have provided a legacy which finds its fulfillment in the worship of the triune God of glory. But now, in this volume, Graham Beynon, allows us to meet Isaac Watts, himself, his redeemed life, saturated with the grace of God and absorbed with the glory of God. It will be hard to stop turning the pages.

Harry L. Reeder III
(1948 – 2023) Senior Pastor, Briarwood Presbyterian Church, Birmingham, Alabama
