RELATED TITLES

DESCRIPTION

MARKETING POINTS

Highly anticipated

World–class scholarship

Profound and comprehensive systematic theology

AUTHOR

Douglas F. Kelly is Professor of Theology Emeritus, Reformed Theological Seminary, Charlotte, North Carolina.

ENDORSEMENTS

One of those rare books that will shape both scholarly and pastoral theology for generations to come.

Richard Pratt
President, Third Millennium Ministries, Orlando, Florida

Nothing less than remarkable.

William Edgar
Professor of Apologetics (retired), Westminster Theological Seminary, Philadelphia, Pennsylvania

Impressive and invaluable.

George Dion Dragas
Protopresbyter, General Editor of the Patristic and Ecclesiastical Texts and Translations, Orthodox Research Institute

In the forest of recent and not-so recent systematic theologies... this tree stands out.

Paul Wells
Emeritus Professor, Faculté Jean Calvin, France and Editor in Chief of Unio cum Christo
