DESCRIPTION

AUTHOR

Douglas F. Kelly is Professor of Theology Emeritus, Reformed Theological Seminary, Charlotte, North Carolina.

ENDORSEMENTS

If this first installment is any indication, Douglas Kelly's three-volume Systematic Theology is sure to set a new standard. Harvesting decades of steady scholarship and equally steady engagement in all facets of the church's life and ministry, Kelly displays the richness of the Christian Faith, particularly in its Reformed expression. Christians of all traditions will benefit greatly from the catholic breadth, appropriate but not bewildering depth, and exegetical insight of this remarkable work.

Michael Horton
J. Gresham Machen Professor of Systematic Theology and Apologetics, Westminster Seminary California, Escondido, California

I bought this book by way of an exploration into the subject of the Trinity; we have a ministry to the cults, and I'm writing a Christian response to the Jehovah's Witnesses publication, "Should You Believe in the Trinity". I found this book to be an excellent resource on the subject of the Triune God. I would recommend this book, without reservation, specifically on the nature of God and the attendant issues surrounding the Trinity.

Dr Thaddeus Irvine, Londonderry, Northern Ireland.

Where can one find a treatise on the Truine God that is without question faithfully and confessional Reformed and profoundly aware of the broad reach of historical reflection from the wider Church? Professor Kelly's achievement has put a mark in the 21st century that will force all serious students of theology to consider a conservative Reformed viewpoint with due diligence. Here is a theology that serves the church, displays the majesty of God and humbles the heart of all who contemplate Him. I am using this for my class on theology and look forward to his forthcoming work.

Todd Baucum, Enterprise, AL

I have mixed feelings about this book. On the one hand it is very interesting to read as Kelly quotes a lot from those I would not normally read e.g. Church Fathers, Eastern Orthodox, Roman Catholic. Some of the quotes are excellent. On the other hand, there are times when it feels like I was simply reading a lot of
