Focus on our union with Christ

Practical and inspirational for everyday life

New addition to the Porterbrook Series

AUTHOR

Christopher de la Hoyde is part of the Acts 29 Network and leads Grace Church, Boroughbridge, England.

ENDORSEMENTS

The profound truth of our union with Christ is deftly explained in this book. And the ways in which this truth affects the lives of believers, the church, and mission is helpfully laid forth. All believers will benefit from reflecting deeply on its message.

Constantine R. Campbell
Associate Professor of New Testament, Trinity Evangelical Divinity School, Deerfield, Illinois

I have long been an admirer of Steve Timmis, his writings and the wonderful contribution he is to the kingdom of God. This book, *In Christ*, not only deepens that admiration, but intensifies my affections for Christ. As the title suggests, In Christ, is a thoroughly Christo-centric volume, reminding the believer that everything we are and hope to be is rooted in the person of Christ, and brought about by His precious Holy Spirit.

Bryan Loritts
Pastor, Abundant Life Christian Fellowship, Silicon Valley, California, Speaker and Author of several books

Do not be deceived by this book's size or weight! Steve Timmis and Christopher de la Hoyde have written something weighty and rich that will be of huge benefit. This is a book, and a doctrine, to return to frequently.

Mark Meynell
European Associate Director, Langham Preaching, London

This is a splendid book, ideal for all Christians. Steve Timmis and Christopher de la Hoyde explains this vital and central truth of the gospel clearly and readably and relates it to a range of real and practical situations which we all face. It deserves a wide readership.

Robert Letham
Wales Evangelical School of Theology, Bridgend, Wales
