DESCRIPTION

An Exciting and Inspiring Collection of Vividly Told Stories of Christians Who Really Made A Difference.

Each book in this box set contains the story of creative Christians who demonstrated that the world of art and the world of science are not in opposition to faith. These men and women embraced their gifts from God and used them to impact His world. Christ is Lord over all!

These biographies follow the trailblazer's journey to faith, and on to the work that God had planned for them. With lots of dialogue, these engaging stories show how God uses normal individuals to bring about his purpose.
