ENDORSEMENTS

No matter who we are, suffering is something we'll encounter at some point in our lives, whether we're witness to someone else's pain and have no idea what to say or how to help, or dealing with our own sorrow and thinking no one else understands what we're going through. *A Christian's Pocket Guide to Suffering* by Brian H. Cosby is a relatively short read, but it's practical and Bible-centred, answering many of the questions we have about suffering, and pointing us to God's Word for hope in painful circumstances.
