AUTHOR

Dr Alec Motyer (1924-2016) was a well-known Bible expositor and from an early age had a love for studying God's Word. He was principal of Trinity College, Bristol and wrote many widely appreciated commentaries and other books.

ENDORSEMENTS

Part commentary, part word study, and part devotional summary/analysis, the author has brought together his earlier treatment of the Psalms in a repackaged format suitable for daily personal reading. Reflective, suggestive, informative, and inspiring, this book models the profound but subtle scholarship for which Motyer was well known.

Banner of Truth

I've long taken the view that anything by Alec Motyer is always worth reading. His grasp of the Bible is second-to-none. The publishers have excelled themselves with this handsome hardback volume. Here are 73 days of readings incorporating Motyer's fresh translation of the Psalms. A book to savour and enjoy.

Eddie Olliffe, Together Magazine

A wonderful companion to the Psalms, the church's hymn book. Helping the text come alive, but allowing the Word to speak clearly. The Psalms should be part of the prayer life of all Christians. Alec Motyer hands us the text for our daily devotions.

Graham Miller, London City Mission

What a wonderful resource! This is an invaluable study companion for anyone reading through the Psalms ... very accessible and user friendly; no knowledge of Hebrew is necessary. I heartily recommend this for pastors, students and laity alike.
