Explores the underlying principles of modesty

Perfect resource for mentors, parents, pastors

Important read for men and women

AUTHOR

Heather Thieneman lives in Kentucky where she is a writer and a member of the Reformed Baptist Church of Louisville. She has a love for missions and missionaries which has taken her to many places around the world.

ENDORSEMENTS

This is a good book. The aim is not so much to catalogue a list of what is modest, but rather to examine biblically what is entailed in the concept of modesty. The underlying conviction of the author is that we need our hearts purified as well as our minds clarified. Altogether, this book is warmly recommended.

Evangelical Times

I enjoyed this book because it led my thinking about modesty into "uncharted territory." This book is a blessing because of the author's extensive research, careful thought, wise humility, and her desire to be biblical and God-honoring. May it be used to glorify God in all who read it!

Kent Keller
Associate Pastor of Faith Bible Church, Sharpsburg, Georgia and Co-author of Modesty: More than a Change of Clothes

With impressive thoroughness and depth, Heather examines modesty from a biblical, historical, and practical perspective. Mix in plenty of heart and grace, and you have a substantive, helpful resource for teachers, leaders, mentors, parents, and pastors who find themselves dealing with this complex and important subject.
