ENDORSEMENTS

An immensely stimulating read! I've been preaching on the subject of Heaven and Hell for over 25 years, and yet I found myself learning new things on page after page.

This magnificent book is long, long overdue. In it, we hear the warming magnetism of the author's own voice as - from his remarkable knowledge of the whole Bible - he assists us on these deepest questions of life and eternity. Start at the final Appendix, if you like - that alone makes vital reading!

Richard Bewes
OBE (1939 – 2019), formerly of All Souls Church, Langham Place, London, England

This is what bible teaching should be. Read the book. Seriously, read the book.

Christians cannot be healthy if they do not keep lifting their eyes to those things that are now unseen. Paul Blackham gives us real help here, drawing us to marvel and wonder at the glory of God in His kindness, majesty and righteousness. May it help many to long for all God has in store!
