DESCRIPTION

Abraham, David, Moses, Joshua, Gideon and Jehoshaphat are all men from the Bible who fought in real life battles, but the lessons we learn from their lives are not about sword skills or battle tactics, they are about honouring God and glorifying him. ENDORSEMENTS

Muscles and physical toughness are not the main characteristics of a true warrior. What I love about this book is that it shows us that true warriors are truth warriors who honour God no matter the difficulties they face. They are spiritually strong because they take their strength from Christ. Devour this book to help build your spiritual muscles so that you too can be a truth warrior.
