ENDORSEMENTS

This new book by Peter Mead, *Lost in Wonder: A Biblical Introduction* to God's Great Marriage, invites us all to rethink our perception of God with fresh categories. The truths explained here have certainly changed me, and I will never go back to the legalistic religion I used to lug around.

That the powerful king of the universe is a God of passionate love makes for glorious biblical theology. That he would relentlessly pursue a sinner like me in such love is simply mind-blowing.

Dave Gobbett

There are many Bible overviews that trace God's plans through Scripture. Lost In Wonder explores God's passion, his proposal. Read this book to grasp not only the heart of the Scriptures but the heart of God.
