Unabridged text with added subtitles

Church classic on the doctrine of redemption

A needed reminder that the Gospel is for Christ's glory

AUTHOR

Amongst the best known of the Puritans, John Owen (1616-1683) was a profound and thought provoking pastor-theologian. His writings continue to be widely read and greatly appreciated to this day.

ENDORSEMENTS

The Death of Death in the Death of Christ ranks among the best known, and indeed may actually be the best known, of the dozens of books that flowed from the pen of John Owen during his four decade long career as an author. Whenever there is a renewed interest in what lies at the heart of the gospel, these pages have a tendency to be rediscovered and re-read. It seems that each generation needs to discover them anew. Weigh carefully what you read; compare it with Scripture. Allow Owen to challenge your thinking. For this is a book to make you think.

Sinclair B. Ferguson
Chancellor's Professor of Systematic Theology, Reformed Theological Seminary
