ENDORSEMENTS

This year I decided to read Acts with your help, making my way through your commentary. My dear brother! What a gift you have given to the church! And to me! Your work is truly anointed by the Spirit Who inspired the Acts. The Lord has given you such keen insight and then the ability to articulately, winsomely, powerfully open the text for us. As you know, I have read widely. But no one makes sense of the "sermon" by Stephen the way you do. No one keeps the "big picture" - the spreading of the Word of God - before us the way you do.

Darrell Johnson, Senior Minister, First Baptist, Vancouver

As a pastor I initially turned to Bruce Milne's commentary on Acts for help with a difficult passage that I planned to preach on. I received a lot more than I bargained for. Not only were my textual questions answers but my mind was enriched. In addition I found nourishment for my own soul. Later in the day when dealing with a difficult counselling situation I was able to pass on some of the biblical wisdom I had gained from Bruce Milne. I have 30 commentaries on Acts on my study shelves. Some have become good friends over the years but I have found Milne's work to be the most helpful. It comes from a man who is a pastor-scholar with a warm heart for Christ and a deep love for his church.

C. John Steer, Senior Pastor, Autumn Ridge Church, Rochester, MN

I was greatly blessed and challenged by your commentary. It was a great encouragement to read such a solid, biblically based commentary. Right up to the Appendices yoru passion for Mission because of your love for the Lord was a great stimulus to me. Thank you so much for the many hours of hard work and prayer that you dedicated to writing the book. May the Lord make it a blessing for all who read it.
