ENDORSEMENTS

"Books on the Old Testament tend to be either technical and tedious or superficial and moralistic. Once in a while we discover one that breaks the mould. T. J. Betts has done it! He tells us not only what Amos means but also why it matters. He proves again that the expositor's task is not to make the Bible relevant, but to simply show how relevant it is!"

Alistair Begg
Founder, Truth for Life

"What a wonderful gift to the pastor who wants to allow the text of Scripture to drive his sermon. T.J. Betts' commentary will be ready at hand when I prepare to teach from the prophet Amos. It is a treasure trove for the serious expositor."

Daniel L. Akin
President, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina

"I have known T. J. Betts for a number of years. He was raised in a pastor's home, and he is a pastor/scholar who writes for the local church. Using personal illustrations and practical applications in this commentary, he shows how the writings of an eighth-century B.C. prophet still speak to the 21st century church."

Chuck Lawless
Dean and Vice-President of Graduate Studies and Ministry Centers, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina

"T. J. Betts comes to the text of Amos with a scholarly mind and a pastoral heart. His judgments about the text are carefully considered and sound, and his prose is warm and direct. Pastors who have found the task of preaching from the prophets daunting will discover in this volume helpful material for historical background, theological interpretation, and homiletical application."
