ENDORSEMENTS

"This book is like journeying with a wise and knowledgeable tour guide...to the best of all destinations."

Archie Poulos
Head of Ministry Department, Moore College, Sydney

"Here is a sane guide to a sane confidence in Christ. Jonathan Gould is blessed with a logical mind and a loving concern for people - I especially liked his answers to important questions at the end of each chapter. I have seen many people brought out of fog into faith under his ministry and hope this book will bring many more."

Simon Manchester
Former Minister, St Thomas' Anglican Church, Sydney, Australia

"*What Christians Believe* is material regularly used by Jonathan Gould as an introductory course for newcomers, believers and unbelievers. It has long proved its worth for those willing to think. Warmly recommended for similar use and for the church bookstall."

Dick Lucas
Formerly Rector of St Helen's Bishopsgate, London

"With unapologetic pastoral clarity, Gould reminds Christians that Christianity is not about religious sensibilities added on to an otherwise worldly life, but about radically God-centered truth that completely reorganizes our lives for his glory. The result of these two concerns is that this is a book for anyone, believer or non-believer, who not only wants to know what Christians believe, but why that belief matters"

Michael Lawrence
Senior Pastor, Hinson Baptist Church, Portland, Oregon
