ENDORSEMENTS

"Unique in its combination of narrative and apocalyptic style, Daniel has intimidated many a preacher and eluded most laymen. But Dr Lucas clarifies the big idea for all and it will preach ... God wins! Lucas the theologian, historian, preacher, pastor and writer has gifted the Church with a study that is redemptive-historical in its interpretation, Christ-centered in its application and enjoyable as a read."

George Robertson
Senior Pastor, First Presbyterian Church, Augusta, Georgia

"Sean Lucas' *Daniel: Trusting the True Hero* is a wonderful, engaging, God-centered treatment of the book of Daniel. His strong redemptive-historical approach keeps God's character and un-folding plan for His people central throughout. In both the narrative portions and the prophetic portions Sean helps the reader see the greatness of God and our need to trust Him in every circumstance we encounter. The focus on God as the true hero lifts the eyes of the reader beyond a great story and complicated prophecy to a personal encounter with the living God that is both accessible and devotional. I highly recommend this book for everyone from those studying Daniel for the first time to Bible study groups to long-term students of the book of Daniel."

Mark L. Dalbey
President, Covenant Theological Seminary, Creve Coeur, Missouri

"the skillful hands and pastoral heart of Sean Lucas graciously lead you to a different understanding of this book and its hero, an understanding of the mysterious and marvelous goodness of God and grace of Christ, the true hero. That's where we can put our trust".

In addition: textually driven, careful exposition based on a belief that every word of Scripture is Spirit-breathed, illustrative material that opens windows to fresh air and light; and passion -
