'Morgan shows how Edwards successfully responded to the annihilationist arguments... Edwards's approach needs to be heard today.'

Robert A. Peterson

Theologian, editor, and co-author, 'Jesus In Prophecy: How Christ's Life Fulfils Biblical Predictions'

'Theologians of the past can often point the way ahead into the future. Christopher Morgan's comprehensive survey of the annihilation debate and his clear exposition of Edwards' views are a valuable resource for those defending biblical teaching regarding eternal punishment.'

David McKay

Professor of Systematic Theology, Ethics and Apologetics, Reformed Theological College, Belfast, Northern Ireland
