ENDORSEMENTS

This book inspired me to pray more myself and to be creative in helping my children to pray. Denise George writes in a fresh, easy-to-read style. The chapters are short, with bullet points under the main headings. The book is full of suggestions to encourage your child to pray and give ideas to put legs to your children's prayers'. Many of these practical ideas are straightforward and easy to adopt. The author draws from her own experience as a mother of two children. Her honesty is refreshingly helpful.
