

# Bill Bright: Dare to be Different

*Kim Twitchell*

RELEASE DATE 20 MAY 2004

**DESCRIPTION**

Nobody would have thought that this scruffy rancher's son would grow up to head up one of the biggest missions that America, or the world had ever known. Campus Crusade was just the beginning though. Soon there were missions to students, the military, athletes and Hollywood actors – and then Bill was involved in making a film himself – a film about the one he loved above all else – Jesus.
